Success Through Learning

Principal: Judith Gorton

15th November, 2010

Parents and friends of Caragabal Public School,

End of Year Presentation Night

At the P&C last week, it was decided to have an earlier start to the Presentation Evening as we have younger students who do have early bedtimes. The Presentation Evening is on Monday 13th December starting at 4.30.

We love having everyone from the community come and support us so please note this change on your calendar.

This is the program at the moment.

4.30 Formal presentation of awards.

5.30 Concert

6.30 BBQ Dinner

Everyone is invited and we look forward to seeing you there.

Swimming School

Starting Monday 22nd we will be travelling to Quandialla pool for our annual swimming scheme. Travel will be by bus each day. We will need parents to accompany us on Monday, Tuesday and Friday. If you are able to help on these days please let us know. Our second week of swimming will be the week of the 6th December.

Remembrance Day

This year for Remembrance Day, the students made poppies representing the poem "In Flanders Field". Bailie, Sophie and Jack led our short service by the flagpole.

Playgroup Weekly Events

Tuesday 1.30 – 3.00 Bears Bush Bus

Friday Mobile Preschool 9.15 – 3.15

Healthy Hamburgers:

Ingredients:

350g lean minced beef
1 large carrot, grated
1 medium zucchini, grated
1 large green apple, grated
3 slices wholemeal bread, crumbed
2 tablespoons parsley, chopped
1 teaspoon mixed dried herbs
1 egg, beaten 1 tablespoon olive oil

To Assemble:

1 large onion, sliced
6 hamburger buns
2 tablespoons grainy mustard
2 tomatoes, sliced
6 small lettuce leaves
6 slices canned beetroot.

Cooking Method:

Combine beef, carrot, zucchini, apple, breadcrumbs, parsley, herbs and egg.
Form into 6 patties. Grill or barbecue, using a moderate heat, for about 5 to 6 minutes each side.
While hamburgers are cooking, heat oil and cook onion, stirring several times.
Split and toast the buns. Spread top half with mustard.
Assemble burgers by placing a lettuce leaf on one half of each hamburger bun, adding a burger patty, onions, sliced tomatoes and beetroot.
Top with remaining half of bun.

COUNCIL NEWS 08/11/2010

Council's Mayor Cllr Maurice Simpson attended the Police Accountability and Community Team (PACT) meeting at the Boorowa Council Chambers on November 3 and reported that the good news is that the crime rate in Grenfell and surrounding villages remains very low and the position of the Sergeant of Police in Grenfell will be advertised in due course.

However, the crime rate in larger regional towns is much higher which is resulting in an ever increasing reallocation of local Police resources to do duty in these regional towns.

In one sense, we and the State Government are very fortunate that we have a low crime rate and it does make sense that the resources are allocated where they are needed. However, similar to the situation with the doctors the answer appears to be that we need more police trained and allocated to rural and regional areas to assist the police who are doing a tremendous job in very difficult circumstances.

Tenders for the operation of the Grenfell Waste Depot were considered by Council at its October Council meeting with the current operators of the tip Carrion Enterprises being the successful tenderer.

There has certainly been a vast improvement in the tip operations over the last twelve months since Carrion Enterprises have been operating the tip. Prior to the tip being manned one of Councils biggest problems was the dumping of waste and materials such as tyres at the tip from people outside the shire. Their Council most probably already had their tip locked and were charging for this waste disposal. With the tip being manned this problem has now been eradicated.

Carrion Enterprises have a number of proposals they plan to implement to further improve the tip operations and we wish them well in their endeavours.

Councils Director of Engineering Mr Bill Twohill reported to the October Council Meeting that a work order to the value of \$895,797 has been received from the RTA for rehabilitation works on the Newell Highway (SH17).

The work is currently in progress and is estimated to take approximately six weeks to complete. This project and the fact we have had a very wet winter will see the need for the Director to allocate his resources in an efficient and cost effective manner to ensure Councils works programme is also completed.

There has been a lot of work go into the accreditation process to receive a work order of this magnitude and full credit to the Engineering Department who have perservered through some tough times to achieve a result like this.

In regard to Councils works program Councils slashing crew and gardening staff have been kept very busy with the problem of exhorbitant grass growth emanating from the wet winter. While Councils resources are limited we are certainly doing everything we can to control the growth. Other future works in the program include:

- Maintenance Grading/Gravelling various shire roads prior to harvest
- Linemarking and erection of signs at the recently completed MR398/Holy Camp Road intersection
- Grass slashing
- Erection of a fence around the Vaughan Park playground equipment
- Complete the linemarking and beautification at the Grenfell Railway Station.

The Art Gallery Exhibition "Colour of our Country" is in progress featuring three Sydney Artists – David Milliss, Teri Hiley and Colina Grant as well as various pieces by local sculptors Kathleen McCue and Len Wallace. Similar to previous exhibitions this exhibition is of a very high standard and well worth a visit to the Art Gallery to see.

The film "Robin Hood" was shown at the Grenfell Cinema on Friday 5 November with approximately twenty (20) people attending.

The next film to be shown is "Dear John" on Friday 19 November. For further details please see the advertisement in today's Council News.

Another reminder that landowners who identify any locust activity on their properties are requested to report it immediately to their local LHPA. Further information is available on the LHPA website www.lhpa.org.au
