## Success Through Learning

Parents and friends of Caragabal Public School

### End of Year Presentation Night

Please mark this date on your calendar. This year the end of year Presentation Night will be on Wednesday 11<sup>th</sup> December.

### Professional Experience Teachers

A big thank you to our Professional Experience Teachers who finish this Friday. April and Stacey have enjoyed working with the students at Caragabal Public School.

### Work Experience

This week we also welcome Alec Abbott from the Henry Lawson High School who will be doing work experience for the week.

### Science Festival

It was a great day at the Australian Museum Science Festival held in Bathurst. The students saw the paramedics and learnt a little about CPR.

The man from the Australian wildlife had his pet lizards, diamond python, tawney frogmouth, crocodile and frog. He definitely had the students engaged in his presentation. Halle enjoyed holding the crocodile after a while.

The students also went to the general display where there were activities with dinosaurs, electricity, fossils, meteorites and many more. Years 3-6 had a special treat doing the CSI. Finally the students saw the Liquid Nitrogen show with the presenter freezing and thawing different objects using nitrogen.

### **FROZEN FRESH PEACH YOGHURT**

Preparation: 30 minutes (+ freezing time)

Cooking: 15 minutes

Serves: makes about 1.8 litres

500g Greek style thick natural yoghurt

2 cups reduced fat vanilla custard

3 cups water

½ cup demerara sugar

6 peaches, halved and seeds removed

Ice Cream cones to serve (optional)

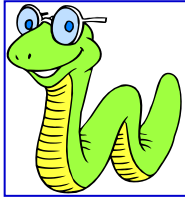

1. Combine yoghurt and custard in a large mixing bowl. Whisk until well combined. Pour mixture into a 2.5 litre airtight plastic container, cover and freeze for 3-4 hours or until lightly frozen.
2. Meanwhile, combine water and sugar in a large saucepan. Stir over medium heat until sugar dissolves and mixture boils. Add peaches and reduce heat to medium-low. Cover and cook, stirring occasionally, for 10 minutes or until tender. Drain peaches and set aside to cool. Remove skins from cooled peaches and roughly dice flesh.
3. Remove yoghurt mixture from freezer and roughly break mixture up using a spoon. Place mixture in a food processor or blender until smooth.
4. Fold peaches into yoghurt mixture until just combined. Pour mixture into the airtight container, cover and freeze for 5 hours or until firm. Serve scoops of yoghurt in ice-cream cones or in serving bowls.

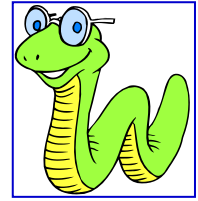

### **Peaches**

- ✓ *Peaches are an excellent source of the type of carbohydrate that has a low glycemic index, which means it is absorbed slowly and will provide a child with sustained energy.*
- ✓ *Bursting with vitamin C, peaches also contain the powerful antioxidant beta-carotene.*
