Success Through Learning

PRINCIPAL'S REPORT...

What a fantastic year we have been able to share! Our school has been a part of many great initiatives and activities throughout the year. We have followed our strategic directions and set a new course for 2019.

I would like to thank our outgoing staff, Michelle, Kylie and Phoebe. Each teacher has contributed significantly to our teaching and learning program and in supporting our students' wellbeing and their academic growth.

Thank you also to everyone who has contributed to our school programs this year, we are very fortunate to have the support of parents and the wider community. Without your commitment and love of our school we could not be so successful.

I am currently working towards appointing staff for 2019 and will hopefully be able to make an announcement to parents this week.

This week we will be celebrating our year so please come along and join us.

I would like to wish all of our families and community members a Merry Christmas and an enjoyable holiday break.

Presentation Night

Please come along to our presentation night on Tuesday the 18th of December at the Caragabal Memorial Hall. The night will begin at 5.30pm sharp and be followed by dinner.

School Party and Year Six Farewell

Our classes will be celebrating the end of year with class parties on Wednesday. Students are able to wear mufti clothes and bring some party food to share during the morning. We will be farewelling Year Six at 2.00pm and presenting students with their Christmas gifts. Parents and community members are welcome to attend from 2.00pm.

Visual Arts Home Program

Next year our school has been selected to participate in the Visual Arts Home Program. During the program students will participate in visits to their local regional gallery to participate in an artmaking session and view artworks created by Aboriginal artists from the gallery's collection.

Students will join two virtual excursions one to the Art Gallery of NSW to meet the Aboriginal and Torres Strait Islander Curators and learn more about artworks in the gallery. At the second virtual excursion students will guide teachers and students through an artmaking lesson developed by Jonathan Jones (Wiradjuri artist and curator).

Teachers will be supported through online resources and connections to visual arts expert educators from the Arts Unit as well as expert knowledge from curators at the AGNSW and the Wagga Wagga Art Gallery.

At the completion of the program students will exhibit their artmaking in their regional gallery alongside the works created by other students in the program.
