## PRINCIPAL'S REPORT...

### K12 Excursion

The K12 class enjoyed their excursion to the AIS and the Canberra Theatre to see The Gruffalo. It was a split decision, as to which was their favourite event. A big thank you to Martina for driving the bus and also to Jen McNickle for coming along and helping us on the day. The students set an exemplary example of displaying good manners and participating in all aspects of the day.

**P&C Meeting  
Tuesday 30<sup>th</sup>  
October  
7:30pm**

## Visiting Author

Award winning children's author Chris Collin is visiting our school! Chris has published four best selling books including Funky Chicken Chooks in Space. Chris will be conducting two workshops on Friday the 2<sup>nd</sup> of November.

9.20 – 10.20

Preschool, Kindergarten and Year One

10.30 – 11.30

Year Two – Year Six

Parents and community members are invited and very welcome to attend one or both of these sessions at no cost.

Thank you very much to Bec Maslin for organising Chris' visit. The school and preschool will be jointly funding these workshops at no cost to students.

Chris will be selling his books on the day and is happy to sign them for students. Further information and a book order form will be sent home to students with their newsletter this week.

## Rural and Remote STEM Project

Last Monday students pitched their ideas on putting Caragabal on the map to the panel. Congratulations to all students on their pitches. The panel had a tough decision but there could only be one winner from each class. K12 winner was 'Movies under the Stars' and the 3-6 winner was the 'Monopoly Café'. The community can look forward to being treated to a movie night and a café in the near future.

Thank you to Sandy Death, Mitchell Pollock, Melanie Copper and Clr Phillip Diprose for being on the panel.

## Correction

Last week in the Newsletter I stated that Charlotte and Oliver would be working on Distance Education in Byrock until the end of 2019, the date was supposed to read 2018. Sorry for any confusion.

## Boorowa Touch Football and Netball Carnival

On Friday, the 3-6 students represented the school in Touch Football at the Boorowa carnival. They played 4 games and showed great sportsman's ship. All students displayed a positive attitude towards the game and other students and were commended by other schools on their behaviour and knowledge of the game. Well done, 3-6 class.

### KITCHEN GARDEN

Today we tried our hand at propagating. We got capsicum seeds, pumpkin seeds and coriander seeds. We planted the capsicum seeds and coriander seeds into egg cartons. We washed and dried the pumpkin seeds, we took a risk and planted some of the pumpkin seeds but kept some back to dry and we plant next week.

Our strawberry patch is coming along nicely with some ready to pick and eat.

INCLUDES SAUSAGE SIZZLE AT THE END OF BOWLS

6:00PM - CALCUTTA

BISTRO WILL BE OPEN FROM 6PM

PIZZA MENU & SPECIALS BOARD ONLY

## PHOTOS AND INFORMATION REQUIRED

Do you have some great photos (old and new) or stories about Caragabal?

We would love them for the historical displays we are developing for Caragabal.

If you can help, please contact Melanie Cooper on 0417 963 475 or melaniecooper6@yahoo.com.au

Melanie will endeavour to be at the 'Cuppa at Caragabal', held at the Pub, on the 13th, 20th and 27th November. If you would like to bring your photos there, they can be scanned on the spot.

## \*\* Water Security for Caragabal \*\*

As you know, water security is a hot topic in politics right now due to the drought. Due to excellent petitioning by both the Village water and the rural water scheme, Caragabal has been earmarked for \$100k of funding to complete a feasibility study on possible solutions to water security in Caragabal.

Central Tablelands Water (CTW) are our local water county council (they are owned by 3 councils including Weddin). They will be applying for this \$100k under the Safe And Secure Water Program, and while they are not guaranteed success, being earmarked definitely increases their chance of success.

The purpose of the feasibility study will be:

1. To investigate possible secure water sources for Caragabal
2. To investigate possible pipeline routes from the different sources of water
3. To investigate costs of different models of secure water supply (these models could vary from a simple one point supply to Caragabal, and the rest managed privately by us... right through to a complete new system for village and rural managed completely by CTW).

At the end of the feasibility study, CTW will be able to present the community with different possibilities, and different costings so that the community can make informed choices about whether to go ahead with a project at all, and if so, which model to use.

This feasibility study will cost us nothing and will NOT lock us into anything. CTW are keen to work with our community the whole way through to ensure that our voices are heard.

If, as a result of the feasibility study, we decide to go ahead with a water project... at the moment there is a rare opportunity to get funding to make the project happen - with water security a major political topic and an election coming up... all of the stars might just align to get water security to Caragabal with significant government funding!

It is an exciting opportunity to get this feasibility study done, at no cost to ourselves, and with no effort required on our part... **congrats** to everyone who has worked along the way to make this happen! We will keep everyone informed and let you know when there will be an opportunity to present ideas or information to CTW.

# SHOOSH

FOR KIDS

Shoosh for Kids is a collaboration between the Office of Sport and our sport to promote positive behaviour to clubs, members and spectators.

The general rule is, if you can't say anything nice, don't say anything at all!

Support Shoosh for Kids this summer by keeping your comments positive and showing respect to kids and officials. **Remember, sport should be fun!**

  #shooshforkids | sport.nsw.gov.au

Shoosh for Kids is proudly supported by:

## Some tips for adults at kids sport:

Keep it fun - don't take it too seriously

Be enthusiastic - but don't scream and shout instructions from the sideline

Emphasise trying hard - not winning

Cheer and acknowledge good play from all sides and teams

Accept decisions from officials. They're human - they make mistakes.

Let coaches do the coaching.

Always remember - volunteers run kids sport.

Understand, uphold and support your club's code of conduct.

Allow your child to play for themselves. Let kids make decisions, on and off the field.

Think before you speak - your words may harm others.

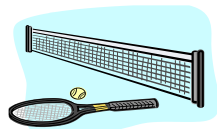

#shooshforkids | sport.nsw.gov.au

WE THANK OUR SPONSORS FOR THEIR SUPPORT
