**Success Through Learning**

## **PRINCIPAL'S REPORT...**

Welcome to week six, what a busy time of the year for everyone! Congratulations to Amber Taylor for delivering a well crafted and well thought out speech at our assembly last Friday. Amber definitely proved she has the capability to be an inspirational leader in our school. Congratulations to all students who received a sporting award at the assembly and thank you to the students who shared their information reports with the audience.

### **Teacher Professional Learning**

Thank you to the teaching staff for foregoing their weekend to attend professional learning in Canberra on the weekend. The workshop, Design Thinking, is the second in a series of professional learning we have been accessing with the team from Minds Wide Open. We attended the workshop with staff from our Forbes Small Schools Network and have collaboratively planned a unit of work to be delivered in Term 3, 2019.

### **Presentation Night**

Presentation night will be held on Tuesday 18 December at 5.30pm, followed by dinner catered by the P&C. All community members are welcome to attend and celebrate the success of 2018.

### **School Swimming**

School swimming begins on December 3 and runs until December 14. Please ensure your child/ren have swimwear, rash vests and sunscreen during these two weeks. Also, please remember to label their school clothing to make it easier for them to look after their belongings.

## **Amber Taylor's Captain Speech**

Good morning Mrs Toole, teachers, parents and fellow students my name is Amber Taylor. It will be a privilege to be the school captain and I am confident that I am the person for the job. I stand here before you to tell you why I would make the perfect school captain for 2019.

I promise I will work hard and be responsible and respectful to all as part of our school vision, and take risks in my learning.

Firstly I would love to lead the school and improve the school in any way I can. I would do this by always helping the teachers and students and being a good listener, I am always honest to the teachers and students, I'm always respectful to the people around me, and I love a challenge. I'm responsible in school and out of school and I am trustworthy with everything I do.

For the past two years at Caragabal Public School I have represented the school in many things such as touch football, soccer, netball, district and western athletics and cross country. I love maths, science and history. And I love learning new things. To me the role of school captain is more than I have mentioned, but a chance for me to make a positive influence on the students and teachers and our school. Show your trust in me as I promise I will not let you down. Caragabal Public School captain 2019 is the perfect position for me.
