**Success Through Learning**

## PRINCIPAL'S REPORT...

### Digi Ed

The school has engaged the team from Digi Ed to work with all of our students on Tuesday in a technology workshop involving making short films with claymation. The staff will gain valuable professional learning skills and the students will have the opportunity to use their creative ideas to create a short film. For more information please visit, <http://digied.com.au/> Parents are welcome to come to the school during the workshop on Tuesday to view the learning in action.

### Teacher Professional Learning

Kim Woodside, Literacy and Numeracy Consultant will be visiting our school on Tuesday afternoon and Wednesday to support our learning in integrating grammar and punctuation into our teaching and learning programs. Our staff will participate in an afternoon learning session with Kim and then hands on learning in the classroom on Wednesday.

### School Swimming

School swimming begins on December 3 and runs until December 14. Please ensure your child/ren have swimwear, rash vests and sunscreen during these two weeks. Also, please remember to label their school clothing to make it easier for them to look after their belongings. A permission note will go home today about school swimming.

### School Attendance Policy

Please remember, parents are required to explain the absences of their children from school promptly and within seven days to the school. An explanation for absence must be provided to the school within 7 days of the first day of any period of absence.
