## PRINCIPAL'S REPORT...

### DigiEd

The students enjoyed participating in the DigiEd workshop last Tuesday with Ian. Students were placed in mixed age groups. They were asked to write a storyboard, make characters with clay and then film a short film. They worked tirelessly all day to come up with some outstanding movies which can be seen on the at [www.digied.com.au](http://www.digied.com.au)

### Teacher Professional Learning

It was wonderful for the students to meet Miss Francesca Nolan last week. Francesca visited the school for two days to meet the students and participate in some teacher professional learning around Punctuation and Grammar. The staff are working together to organise the learning experiences for students in 2019.

### Swimming

Our ten day swimming program begins this week. This is always a lovely time of year for students to improve their swimming technique and learn about safety around water. Please ensure students have their labelled swimmers, towel and sunscreen on a daily basis. They are encouraged to wear a swim cap to keep their hair out of their eyes.
