## PRINCIPAL'S REPORT...

### School Assembly and Captain Speeches

Congratulations to our Year 5 students for presenting their speeches on Friday. Everyone was very impressive and I am looking forward to working with a responsible and motivated group of student leaders in 2020. Congratulations also to our students who were presented with awards from the Bland Sports, the Forbes Small Schools Choir, The Boys' Choir, Boorowa Netball day and the Library Awards.

### Student Teachers

Thank you to Miss Forde and Ms Rose for their dedication and commitment to our school. We have enjoyed working with you over the past three weeks. We wish you all the best in your future studies. You are always welcome to visit when you are in Caragabal.

### School Reports

Our school reports will be sent home during Week 9, beginning on the 9<sup>th</sup> of December. Please contact the school if you would like to organise a time to meet with your child's teacher.

### School Swimming Program

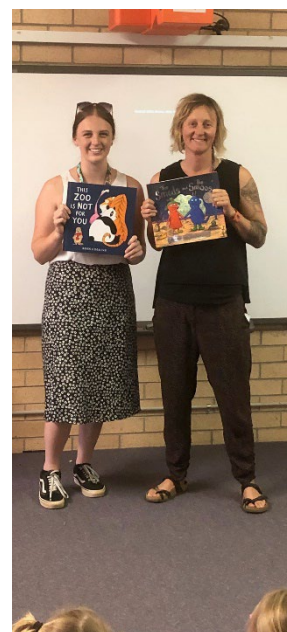

We will be participating in the School Swimming program at Quandialla Swimming Pool from December 2 until December 12. All students will be participating and the school will be paying for the bus to Quandialla and the pool entry. Students will need to bring their swimmers, rash vest, swim cap, sunscreen and towel daily. A note will go home this week.

### Bus Safety

Attached to this newsletter is some information about bus safety. Please read it carefully as it impacts the safety of our students.

### Tank

Our overhead tank is now in place and complete. This system will allow us to have access to water during times of no power. Thanks to Mr Gorman for organising everything around this work.

# Bus safety for school students

How families can help

## Safety information

### Getting to and from the bus stop

- Families are responsible for getting their child to and from the bus stop safely.
- Always supervise your child until they are at least 10 and hold their hand when walking to and from the bus stop or interchange and when crossing the road.
- When waiting for the bus, hold hands and wait as far back from the passing traffic as possible.

### Getting off the bus

When travelling by bus, your child is most at risk in the minutes after they get off the bus.

Meet your child AT the bus stop or interchange after school. NEVER wait on the opposite side of the road and call them across. If you cannot meet your child, organise for a trusted adult to take your place.

**Always wait until the bus has gone, then use a safe place to cross.**

Talk with your child about what to do:

- if you are delayed and cannot meet them as usual
- if they catch the wrong bus
- if they get off the bus at the wrong bus stop.

### Crossing the road

Together, choose the safest place to cross the road and talk about:

**STOP!** one step back from the kerb  
**LOOK!** continuously both ways  
**LISTEN!** for the sounds of approaching traffic  
**THINK!** whether it is safe to cross

Keep checking as you cross the road.

## 40km/h when passing bus flashing lights

More information is available on the Parents section of Safety Town: [www.safetytown.com.au/parents](http://www.safetytown.com.au/parents)

### Driving near buses

Bus lights flash on the front and back of a bus when the bus is picking up or setting down school children. A 40km/h speed limit applies when bus lights flash. The speed limit is for all traffic travelling in the same direction as the bus, whether the bus is stationary or moving.

### Informal school bus stops

Informal bus stops are not sign posted and are usually found in rural areas. They may be at the front of a property or on the side of the road.

Drivers may find it difficult to see children at informal bus stops. Families should take special care when using these stops. Staying on the bus a bit longer to travel to another bus stop may reduce the need for your child to have to cross the road.

Refer to the Safety Information in this brochure and for more information on selecting or reviewing informal bus stops visit: <http://roadsafety.transport.nsw.gov.au/stayingsafe/schools/informal-school-bus-stops.html>
