SLSO Position

Applications for the advertised SLSO position close on Friday 27 November. Please contact the school if you would like more details about the position.

Attendance

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.
