Success Through Learning

Principal: Jodie Russell

PRINCIPAL'S REPORT...

I would like to wish our students, parents, community and staff a Merry Christmas and a safe, enjoyable holiday. Thank you to everyone for supporting the students of our school. We are very fortunate to have a school community who highly value education.

Monday the 13th of December – Swimming

Students will complete their SwimSafe program at Quandialla Pool today. Thank you to the bus drivers, instructors and organisers for a great program, coordinated at the last minute. We appreciate your support and help in having our swim school operate this year.

Tuesday the 14th of December – Presentation Day

Students and Staff will be walking to the Caragabal Hall on Tuesday morning to participate in Presentation Day. Students are required to wear their full school uniform. A record of the events will be forwarded to parents.

Wednesday the 15th of December – Pyjama and Movie Day

Students will be selecting two movies to watch on this day, one in either room. Students can choose to wear their pyjamas or mufti if they would like.

Thursday the 16th of December – Year 6 Graduation

A graduation ceremony will be held at the school at 9.00am for Year 6 students and their parents. All students are asked to bring a plate of party food on the day to help celebrate our Year 6 students and the end of our school year.

P&C

The P&C organised a stall for the The Cri Markets on Saturday afternoon. The stall, which contained an abundance of fabulous items, all sourced and made by our members, raised \$900.00. I would like to thank everyone for their organisation, cooking, time the effort they took to make this such a successful event. Our students and staff are very thankful for such a supportive community.

Student Attendance

As you are aware we have a school attendance target that we are trying to meet over the 2021 and 2022 school years.

At the end of Semester 1 2021, **60% of students were attending school at least 90%** of the time.

At the end of Semester 2 2021, **74% of students were attending school at least 90%** of the time.

As a network we are aiming to increase those numbers to ALL students attending school at least 90% of the time. Thank you to everyone supporting us in our improvement measures in student attendance.

Reports

School reports were sent home last week. Please contact the office to arrange a time to discuss any aspects of the report.
