**Principal:** Patrick Jones

**Success Through Learning**

## PRINCIPAL'S REPORT.

### **Colour Run**

On Friday 9th December, Caragabal Public School will host a Colour Explosion to celebrate the great year we have had. Parents, carers and community members are invited to join in for the festivities. The day will consist of a morning of novelties, a BBQ lunch and the run around the course. We have invited our friends from Quandialla and Bribbaree Public Schools, the Weddin Mobile Preschool and some of our neighbouring schools who have been affected by the floods to join in on the fun. A gold coin donation will be taken on the day.

Students will need to bring shorts, running shoes and a hat that will get dirty and coloured. Students will also need either large sunglasses or goggles to wear to help prevent the coloured powder from getting in their eyes. The P&C previously provided the students with white shirts. Students are welcome to bring a toy water gun from home for some extra mayhem.

Volunteers will be given jobs of throwing coloured powder at students at different points on the running track and spraying students with water. Those who are volunteering are also encouraged to wear white and join in on the fun.

If you have any questions, please contact the school.

### **Presentation Night**

Presentation night will be held at the Caragabal Hall on Thursday 8<sup>th</sup> December, commencing at 5.30pm.

The evening will consist of the presentation of awards, the student's performance of the play 'Frozen', the announcement of the next year's school captain and leadership team, followed by dinner catered by the Caragabal P&C.

Please let the school know if you would like to attend.

### **Year 6 Farewell**

A farewell lunch and presentation for our departing Year 6 students will be held on the last day of term. Could the parents of the Year 6 students please send in some photos of their child to be included in the celebration slide show.

## SCHOOL CAPTAIN'S REPORT.

### **Wellbeing**

In Wellbeing, we have been looking at the Check In scale. It is a scale of emotions that helps us understand how we are feeling and what we can do to calm ourselves down when we are stressed, frustrated, angry or upset.

By Gabe

### Transition Day

On Wednesday, Kasey, George, Gabe and I went into the Henry Lawson High School for another orientation day. We did lots of different subjects and had a lot of fun. During last week, we also did interviews with Mrs Troth. It was awesome to see a friendly face before starting Year 7.

### Frozen

We will now be doing our Frozen movie as a play. Everyone has been practising really hard to learn their lines and working on it every afternoon. There has been a lot of hard work and effort put into this and we are so excited to show it to everyone. The whole school is so excited for Presentation Night.

Lizzie
