Success Through Learning

PRINCIPAL'S REPORT.

Kindergarten Orientation

Last Monday was the final day for our Kindergarten transition program. We had so much fun having Zoe, Isabelle, Talia, George and Jody joining us in our classroom for the past month. We hope they had a great time learning the routines of our classroom, and we are sure they are more than ready to start big school next year.

Presentation Night

Presentation night will be held at the Caragabal Hall on Thursday 8th December, commencing at 5.30pm. The evening will consist of the presentation of awards, the student's performance of the play 'Frozen', the announcement of the next year's school captain and leadership team, followed by dinner catered by the Caragabal P&C. Please let the school know if you would like to attend.

Year 6 Farewell

A farewell lunch and presentation for our departing Year 6 students will be held on the last day of term. Could the parents of the Year 6 students please send in some photos of their child to be included in the celebration slide show.

School Reports

Our school reports will be sent home during Week 10. Please contact the school if you would like to organise a time to meet with your child's teacher.

SCHOOL CAPTAIN'S REPORT.

Swimming

School swimming in Grenfell started today. Everyone was so excited to go and get in the pool. We will be swimming for 10 days. Really happy with the level of commitment and positive attitude from everyone.

Frozen

Our Frozen play is coming along really well. Everyone has been working really hard during the practices and putting in a lot of effort. We have also been going down to the hall and working on cleaning and measuring the stage.

Garden

The year 6's have been working on getting all the weeds out of our multiple gardens. We also picked some of the beetroots last week and are super excited by how well they turned out.

Sport

For sport the K-6s have been playing AFL. For the past two weeks we have split the game into two separate sports for fairness. Last week George and I helped run the K-2 sport which we both really enjoyed.
