Term 2 Week 3

FROM MR JONES

We all had a great time last week at our excursion to the Weddin Mountains. Thank you to Miss Marie, Ms Bradley, Mr Pudya and Miss Shannon for braving the elements and staying overnight with the students. A HUGE thankyou to Melanie Cooper from Weddin Landcare for joining us for the 2 days and staying overnight as well. Melanie's knowledge of the history of the Weddin Mountain's, the native flora and fauna and the local area was absolutely amazing, and we are all so grateful for her to come and along and share this knowledge with us. Another HUGE thankyou to Aunty Julie Ferguson who also shared her extensive knowledge of the Wiradjuri people and how they lived around the area of the Weddin Mountains. The students and staff are so grateful for you giving up your time to share this amazing history with us. Tom has given a full detailed report on camp in his School Captain's report.

On Wednesday 10th May, Emily, Jessie, Olivia, Matilda, Eddie and April travelled to Forbes and participated in the LPSSA Cross Country trials. Everyone did an amazing job with Matilda coming 3rd in her age group, qualifying for Western. Well done to you all, what an awesome effort!

Next Friday is National Walk Safely to School Day. A note was sent home this week with all the information. Parents are encouraged to join us for the walk and a cuppa afterwards.

Rugby Gala Day

Last Thursday Nic travelled to Wagga to play in the second round of the Rugby 10's Gala Day with the Grenfell yr 3/4 team. The team had high expectations of winning their pool and making it into the next round to go to Canberra. The day involved playing 4 games of rugby against some well drilled teams from Griffith, Tumut and Wagga. We had a win and a draw, lots of half time snakes.

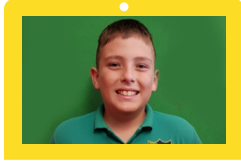

Nic scored a try and had a great time spending the day with his friends from both Grenfell schools.

Thank you so much
Grenfell Public School for asking
Nic to join your team.

School Captain's Report

Last Thursday the 3-6 class and myself went to the Weddin Mountains for a camping trip. When we got to the Weddin Mountains our friends from Quandialla showed up a few minutes later. Then we went on the walk to Flat Rock, which isn't flat but very slippery. Melanie Cooper was our guide for this walk and she was speaking about all the native plants and animals around us. [Melanie is pretty much a nuke full of facts when it comes to nature, which is amazing]. We all appreciated Melanie's assistance and all of us thank her for telling us about our environment. At dinner time we had a sausage sizzle with our friends from Quandialla, and played games around the fire. A few minutes went by and then we got to have **MARSHMELLOWS!!!** 😊 That night we all camped overnight in tents or swags.

On Friday morning we had bacon & eggs for breakfast then the K- 2's from both schools came to join us. We all walked to Seaton's farm. We explored for a while then went back to the campsite.

We joined Aunty Julie in her yarning circle and she told us about how the Wiradjuri people got their resources. Then we all had johnny cakes and went for one more walk to Ben Hall's Cave. Then we went back to school in the afternoon. It was super fun and I hope we can go again.
