

CARAGABAL PUBLIC SCHOOL NEWSLETTER

Term 3 Week 10

FROM MR JONES

As the term comes to an end, we reflect on the incredible events that have taken place. We had the pleasure of hosting the Book Fair, Wild at Art competition with Weddin Landcare, Book Week, Life Education Van, participating in Lachlan and Western Athletics, MPS Visit, and the Bland Sports Carnival. We wrapped up the term with a bang at the Grenfell Naidoc Day event at Taylor Park, where our students' enthusiasm, commitment to learning, and participation were outstanding.

The Naidoc Day event was particularly memorable as the students sang the song they have learned in Wiradjuri language, and the tablecloths they worked on with Auntie Julie were on display. The day involved a number of activities and displays; flag raising ceremonies, cultural performances, art exhibitions, art and craft for the students, a smoking ceremony, and many more. NAIDOC Day plays a crucial role in promoting awareness about the rich diversity and contributions of Indigenous Australians to the nation's heritage.

Looking ahead to Term 4, we have some exciting events lined up. The 3-6 excursion to Lake Burrendong Sport and Recreation Centre promises to be an enjoyable experience for all. The K-2 class will have the opportunity to visit Questacon for an educational experience. Additionally, Year 6 students will participate in transition and orientation days to prepare them for their move to year 7.

We wish everyone a lovely holiday break and look forward to seeing you all back in Term 4. Please note that the students will return to school on Monday, October 9th, 2023.

School Captain's Report

Tomorrow on the 22nd of September the school be at NAIDOC day and it will be held at Taylor Park. There will be a school choir held there and our tablecloths will be on display.

Eddie was chased by Emily, Olivia and Matilda during the week which was a lot of fun and made everyone happy. On Monday Healthy Harold came to give us a PDH lesson about friends and change.

In Geography, we have been building cities such as Las Vegas and The Gold Coast using Minecraft Education which has been the highlight of the week!

WEDDIN SHIRE RESILIENCE ASSESSMENT

This survey is part of CSIRO's resilience research.

Its aim is to assess the strengths and challenges of the Weddin community in dealing with adverse and disaster events and to inform plans and programs that enhance the strengths and address the challenges for a prosperous and resilient region.

Your participation will help to provide the evidence base that can inform community resilience building priorities and proposals for future government funding.

We encourage members of the business community including farmers, agribusiness, rural service providers and other businesses to take part in this voluntary survey.

Participants get
the chance to
win three VISA
gift card prizes
totaling \$1000

To complete the survey please
