

CARAGABAL PUBLIC SCHOOL NEWSLETTER

Term 3 Week 9

FROM MR JONES

We had an absolutely fantastic day last Friday in Quandialla, taking part in the Bland Sports Athletics carnival. It was a day filled with excitement and enthusiasm, and I couldn't have been prouder to see everyone wholeheartedly participating and giving their utmost effort. While we secured the third position on the day, it's important to remember that what truly matters is that we all gave it our best shot. A big congratulations to George, Alice, Matilda, and Ed, who emerged victorious as age champions!

Huge congratulations to Matilda, Jessie, April, and Indi, who are currently in Dubbo today, taking part in the Western Athletics Carnival. April is set to showcase her talents in the high jump, Jessie will be demonstrating her skills in the long jump, and all four girls will be a formidable force in our PP6 relay team. We eagerly anticipate hearing all about your performances and achievements from the event!

A reminder that on Monday the Life education van will be at school and all our students will have the opportunity to visit the van and learn practical life skills, boost self-confidence, promote community building and improve health and well-being.

A reminder to parents that Next Friday, we have an exciting trip planned to Grenfell for the Naidoc Day Celebrations. As part of this event, our students have been working closely with Aunty Julie to design unique tablecloths that will be showcased at the celebration. If you haven't already returned your child's permission note for this trip, we kindly request you to do so as soon as possible to ensure their participation in this meaningful event. Your support is greatly appreciated!

School Captain's Report

In our morning circle this week, we've been talking about how to handle it when someone says "no" in social situations. We're also learning how to control our emotions, like when we feel upset. We found out that taking deep breaths in our belly can help. Alice and Maisie did an awesome job using belly breathing after they bumped into each other on the playground. We were lucky to have Carolynne visit our class this week and watch us do math! She thought we were super smart, especially during our daily review. For sports, we played AFL again, and it was so much fun! Everyone had a blast running around and playing together. On Monday, we got a new friend named Millyn! He's been with us all week, and he's really good at tennis. We're all excited to have him here with us. 🌱😊

Around the Grounds

WEDDIN SHIRE RESILIENCE ASSESSMENT

This survey is part of CSIRO's resilience research.

Its aim is to assess the strengths and challenges of the Weddin community in dealing with adverse and disaster events and to inform plans and programs that enhance the strengths and address the challenges for a prosperous and resilient region.

Your participation will help to provide the evidence base that can inform community resilience building priorities and proposals for future government funding.

We encourage members of the business community including farmers, agribusiness, rural service providers and other businesses to take part in this voluntary survey.

Participants get
the chance to
win three VISA
gift card prizes
totaling \$1000

To complete the survey please
