Term 4 Week 6

FROM MR JONES

What an incredible week it's been at Lake Burrendong Sport and Recreation Centre! We engaged in a variety of activities, including swimming and team-building exercises. The kids successfully tackled a challenge that the instructor hadn't seen completed in 13 years – even year 12 students couldn't manage it! Their intelligence shone as they took turns in different roles. Additionally, we tried our hand at grass skiing, archery, bushcraft, raft building, and various other team-building activities. The students consistently exhibited exemplary behavior, showcasing their manners, kindness, and resilience. I am immensely proud of them. A HUGE thank you to Ms Marie for supporting all of our students throughout the week. We couldn't do it without her.

Preparations are in full swing for our end-of-year presentation and play night. All students have been diligently practicing their lines, and rehearsals are progressing exceptionally well. We are eagerly anticipating the opportunity to showcase the plays on the night. Please refer to the advertisement in this newsletter for comprehensive details about the event. A friendly reminder for parents: our 10-day swimming program at Quandialla pool is set to begin on Monday, November 27th, and will run until Friday, December 8th. Full participation from all students is expected, and the school will cover all associated expenses. A note containing details was sent home last week.

Our year 5 students will present their speeches for our 2024 School Captain on Friday, November 24th. We extend a warm invitation to parents and family members of the nominees to attend this significant event. The speeches are scheduled to commence at 2:45 pm under the COLA, weather permitting. Upon your arrival, please sign in at the office.

I am pleased to extend a warm welcome to Kristie Armstrong, who is joining the Caragabal Public School team as the relieving School Administrative Manager in 2024. We are excited about the prospect of working collaboratively with Kristie and getting to know her better over the next 12 months.
