This week we've had Mrs S here spending time with the children and staff for the last time this year, she has been so supportive and helpful to us all and, thankyou Mrs S for all that you've done for us!

A special shoutout to Mrs Mitton, Happy Birthday for Monday!

Last Friday, the students started to learn how to play Bocci with Mr Cutler for sport, the students enjoyed learning something different for Sport!

The 2-6 excursion to Borambola is next week and so is the K-1 excursion to Lake Cowal! A reminder to all students and staff attending to enjoy your time away and have fun!! I'm looking forward to hearing all about it

A reminder to parents that Kindergarten orientation starts next week and also notes have been handed out regarding Intensive Swimming in Week 8, if these could be handed in to the office at your earliest convenience!

SCHOOL CAPTAINS REPORT

Next week is camp!!! The 2-6 class are travelling to Borambola sport and recreation centre for a 3 day excursion. We have fun activities planned and everyone is super excited. The little ones also have an excursion to Lake Cowal! I am sure they are excited as well. Good news, Nic's baby longneck turtle Freddy has a new home! An old fish tank was brought in, filled with water and then Freddy was placed inside. Plant decorations are on the way and we are all excited to see Freddy settling into his new home.

THANKYOU TO MRS
S

FROM THE K-1 CLASS

Here we are discussing with Mrs Mitton the packaging that might be in a lunchbox and what happens if it doesn't go in the bin.

This week in English the K-1 Students are learning about pollution and how authors present their opinions. We are currently reading a book called "The Mess We Made" by Michelle Lord

Term 4 Week 3

Monday the 28th to Friday 1st of November 2024

From the 2-6 CLASS

Cooking brownies- from Emily and Alice

On Friday, during English, Alice and I got to bake brownies. The ingredients were the brownie packet mix, 2 eggs and 80g of butter. The tools we used were a 20cm square pan and a mixing spoon. We had lots of fun finding all the ingredients but we think the best part was licking the spoons! We then ate the brownies at recess, they were really yummy.

LEARNING MASS – GRAMS AND KG'S WITH MRS MITTON

We had to make a modelling clay ball exactly 5g and 10g and then find something that was 100g

Sports report from Matilda Cooper

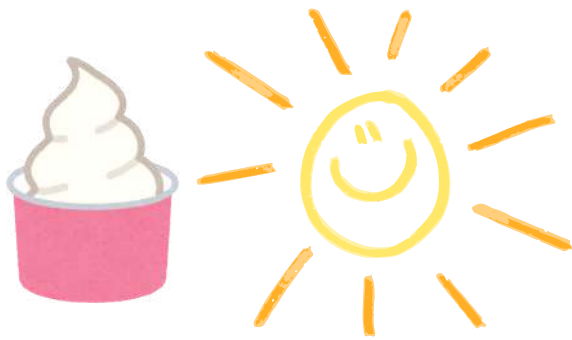

Last Friday, October 26th- Indi, Nic, April, Olivia, a few students from Quandt and myself had a great day at touch footy. We scored 2 tries and successfully won our second game. Although we didn't win any other games, we still did exceptional!

Term 4 Week 3

Monday the 28th to Friday 1st of November 2024

Last Friday was a quiet day at school as we had students attending the Touch football in Boorowa, so with the students we had, we decided to spend some time with the Caragabal preschoolers. We enjoyed some homemade ice cream that the preschoolers had made, and then we decided to head outside for some play time!
