SCHOOL CAPTAIN'S REPORT

School swimming has been super fun! We have started up a thing called “Eddie’s slow death” It is because he hates swimming. We have been super busy with play practice although everyone is coming along really well with learning their lines off by heart. I would also like to announce that I only have 9 days left at Caragabal P.S. It has been a great last term and I hope to see people around at events!

Our intensive swimming program is underway!

JUST DANCE

Last week, we had a special visit from Steph Cooke, who came to congratulate April and present her with her Year 6 Graduation certificate. April was the first student in 2024 to receive this certificate out of 80 schools in the electorate. After the presentation, Steph joined us in our classrooms, where we had the opportunity to ask her some questions!
